

# 40 x 48 General Purpose Bin Lid

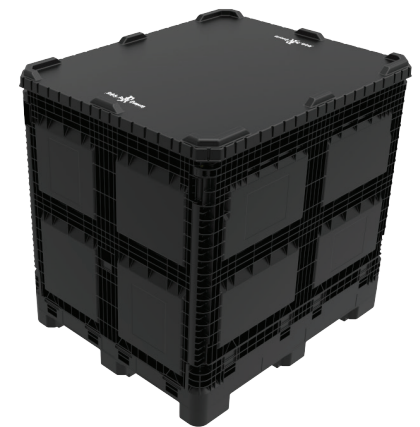

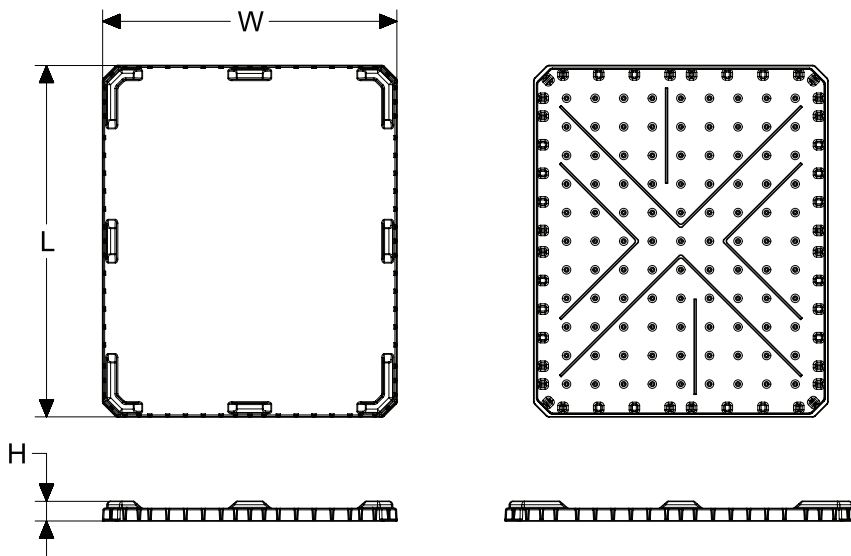

## Features & Benefits

- Light and strong twin sheet thermoformed design optimizes strength to weight ratio
- Made from polyethylene resin that will not absorb moisture or bacteria
- Protects contents of the bin from typical warehouse contamination or damage from handling
- Robust stacking features for interlocking another bin on top
- Securely stacks/nests with itself when empty
- Smooth top for enhanced cleanability

## Options

- Colors: Variety of colors available
- Decoration: Molded in logo and colored stripe for inventory control and brand awareness
- Thicker sheets available for heavy duty applications
