

16 Qt. Dairy Crate - PL Style

Features & Benefits

- Universal design can be used for many SKU's - not just for use with milk jugs
- Compatible with all other 16 qt. dairy crates and industry standard automation
- Ergonomic handles allow easy handling
- Smooth internal faces to prevent damage to product
- Open grid-work on all sides to allow for abundant airflow, temperature regulation, product protection, and easy cleaning
- Recessed base increases product clearance to prevent damage
- Designed with exceptional stacking strength and stability
- Available in all-plastic or with steel rings
- Regrind usage optimized to provide optimal strength and impact characteristics
- Wide array of colors available; including FDA approved colors
- UV stabilizers, anti-oxidants, microbial and other additives available to extend the life of your investment
- Branding areas on all 4 sides for customer specific branding - readily available for hot stamping and molded-in logos (pricing varies)
- RFID tags or barcode labels available to track crates and products
- Reusable and Recyclable
