

17oz Merchandiser

Designed specifically for new 17oz bottles. This Merchandiser provides ease of use in automation and a durable and sustainable solution to one-way single use packaging. It's smaller footprint and nestability allows for efficient transportation and load stability. A solution that is display retail ready with visible branding and provides greater efficiencies when creating a variety pack offering.

Specifications

- Ergonomic, sturdy handles with the palm up/ palm down profile for ease with grasping, lifting and carrying
- Twist 'n slide bottom locates and locks crates and closures for stability in transit, yet releases easily for unloading
- Nested crates interlock for secure stacking in storage, return transit and unloading
- De-nest easily either manually or with automated de-nester
- Customized color and branding available to promote brand equity and asset management
- Engineered high density polyethylene (HDPE) material for enhanced strength and durability
- Highly nestable to reduce space needed for empty storage
