

# 35 Gallon Semi-Automated Bear Resistant Roll Out Car

Specifications	IN/LB	CM/KG
Capacity (Gallons/Liters)	35 Gal	132 L
Overall Depth (D)	25.89	65.76
Overall Width (W)	20.30	51.56
Overall Height (H)	37.54	95.35
Weight	27.75	12.59
53' Trailer Quantity	516	
Decoration Areas	WIDTH (IN)	HEIGHT (IN)
Side Brand - Hot Stamp (B1)	10.0	6.0
Barcode & Serial Number (B2)	9.75	1.25
Lid Brand - Hot Stamp or Label (B3)	6.0	6.0

## Features & Benefits

- Semi-automated (manual) IGBC Certified Bear Resistant option available
- ANSI Certified, with all standard components, to limit risk and liability for both the purchaser and end user; Improved cart stability vs. competing FA and SA options
- "Ready to Roll" Design – lids, locks, catch bars, and body are fully assembled on delivery; One-piece blow molded snap on (BMSO) wheels with integrated spacers takes only seconds to attach for deployment
- Textured body offers optimum gripping surface for fully-automated collection
- Barcode & Serial Number imprinted to facilitate A&D distribution and manual inventory control and work order tracking; completely visible/scannable, even when carts are stacked
- External, enclosed catch bar allows for the cart to have a smooth inside without holes to mitigate leaking and seepage for high-liquid applications.
- Safe and Strong - Robust design is lightweight, making it easy and safe for humans to maneuver, yet extremely difficult for bears to compromise
- Limited exposed metal – mitigates potential end-user injuries, reduces container damage in-transit/in-field, and effectively prevents bears from accessing containers by limiting options for access via biting/clawing/bending/twisting
- Designed with all users in mind – ergonomic locking mechanism allows container to easily be opened by humans with one hand, but prevents bears from opening with claws, paws, and teeth
- Carts are shipped with lids already attached, reducing assembly time
- Barcodes and serial numbers are clearly visible when containers are stacked for ease in inventory management
- RFID Tag Enabled option provides innovative asset and participation tracking programs powered by Vision®
